Objective

- An aspiring computer and web programmer graduate seeking to improve and show skills in a dynamic work environment
-

Education

Highschool Graduate

2022

- I am a high school graduate (Homeschooled) with a solid foundation in academics.

Lake Superior College

2023-Present

- AAS Degree in Computer & Web Programming (Anticipated Graduation: May 2025)
 - Coursework: Web Development, JavaScript, HTML/CSS, Database management...
-

Job Experience

Jones Tree Service

2020-Present

- Operate chainsaws and equipment in a team environment to safely clear trees and debris.
- Passionately follow the necessary safety protocols that are needed to prevent any injuries and safely complete the job.

Black Spruce Holdings

August 2022 - November 2022

- During a seasonal job, which lasted 3-4 months, I worked 12-13 hours per day in a swamp gathering spruce tips which are used for many different Christmas decorations.
- This experience helped me develop a strong work ethic in challenging and uncomfortable conditions.

Highschool Umpire

2018-2021

- Umped for youth baseball games, primarily behind the plate, which allowed me to maintain quick decision making and good communication between players and coaches.
-
